About Sprout

Sprout Media By Kids is an audio/visual education program, developed specifically for the 8/12 age group. Sprout offers face/ to/ face training in filmmaking and media skills.

Sprout Media By Kids is an exciting new initiative conceived by filmmaker and educator Dr. Mitzi Goldman. Mitzi has written, produced, edited and directed documentaries for over 20 years and has a wealth of experience in many aspects of filmmaking and teaching.

Mitzi was formerly Head of Documentary at the AFTRS (Australian Film Television and Radio School).
